*Better - Faster - Cheaper - Safer*

# *Employee Satisfaction*

- Our personnel are our most important asset. We partner with our workforce to improve on the best management/employee team in the Center.

*Better - Faster - Cheaper - Safer*

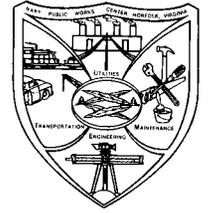

# *Customer Focus*

- Our total service facilities provide our clients with a wide range of services and equipment. We are dedicated to providing the best quality for all Afloat and Ashore Commands.

*Better - Faster - Cheaper - Safer*

# Safety

- Safety is not a motto, it is our way of life. We will retain the status of REPWC Norfolk being the most safety conscious industrial operations in the Navy.
